Dear Parents of Blue Door,

Hello 🍀 This week we talked about St. Patrick's Day and the Shamrock 🍀. During Circle Time the teacher talked about the color of the Shamrock that is most commonly seen which is green. We celebrate this day on March 17th.

For art, the children had a great time using Q-tips during art. They dipped their Q-tip into paint and then onto their shamrock 🍀 tissue paper, shamrock was lots of fun. Mosaic squares shamrock was lots of fun. Using mosaic squares the children decorated a shamrock 🍀. Rainbow craft was also lots of fun. The children were given a cloud shape and the children added strips of different colored construction paper to represent the rainbow.

Parents please wash your child's blanket and return to school nice and clean. Please label anything that belongs to your child with his or her name on it. Please make sure your child's nails are cut short.

🍀 Wishing everyone a Happy St. Patrick's Day 🍀

🍀 Have a great weekend 🍀
