

11.17.2023

Dear Parents of Kindergarten Students;

What a busy week we had at Kindergarten this week!

The children learned under the topic of; What do people use to do their jobs? The letter of the week was Oo and the children learned its short sound /o/ in words like octopus, ostrich, and olive. They also learned that this letter is a vowel and it can be found as the middle sound in words like; mop, box, top, hot, bop, pop, and Tom. The sight word of the week was; you. The children spelled it, read it, and wrote sentences with it.

During math, the children continued with addition. This week they used cubes to make pairs that make 6, 7, 8, 9, and 10. They worked independently and also in pairs to come up with those addition sentences.

In Social Studies we learned all about Thanksgiving. The children worked on making a placemat about what they are thankful for, a turkey headband, and a Thanksgiving card. They also worked on a Mayflower map to review everything learned about the First Thanksgiving.

Friday we had a beautiful Thanksgiving feast in our classroom. The children had the opportunity to have their Thanksgiving feast with their friends and enjoyed the delicious food. Thank you to those of you who helped to make our delicious feast.

Next week will be non-instructional therefore we will resume language arts, math, and social studies on the 27th of November.

Wishing everyone a wonderful Thanksgiving with your family!

Mrs. Wanda
