Dear Parents,

This week was dedicated to our Thanksgiving theme. We talked about Pilgrims, Indians, and Turkeys

.

During Circle Time, we sang, "I'm A Little Turkey, Have You Ever Seen A Turkey? Five Little Turkeys, and 10 Little Indians. The children had a lot of fun when we imitated the "indian sounds", putting their hand on their mouth and saying "OEHWOEWOE".

The children were involved a lot in art during this week. As we are preparing a surprise for Thanksgiving, all we can tell you about is that there were a lot of handprints, painting, coloring, and collages.

Music class was great; the children played with egg shakers. They shake it slow, fast, high, and low. They also listened to different songs and to a story about little ducks.

We had a great time on Friday as we enjoyed our Thanksgiving Feast; everything was delicious. Thank you so much for bringing an item.

As next week will be short, there will be no letter. Our topic will be about Family. If you have not provided a family picture, please do so. The children enjoyed looking at our Family Album and pointing at Mom and Dad.

Have a great weekend and Happy Thanksgiving to you and your family!
