

09.01.2023

Dear Parents of Blue Door,

This week the topic was All About Me. The children really enjoyed this topic. During Circle Time they turned to their friends and said their names. They each shared what their favorite color was as well as their favorite food.

For art, the child drew a picture of their favorite food. It was really cute when the children went over to the family pictures and told their friends who each person was in their family picture. Painting with their favorite color was also fun. The teacher first reviewed the colors and then each child chose the color they wanted to paint with. Singing Head, Shoulders, Knees, and Toes was a blast. The children correctly identified each body part. They worked on their journals and drew anything about themselves that they liked.

On the playground we also practice our gross motor skills. This week the children threw the balls to one another, jumped in place, walked up the slide stairs and went down the slide. Chasing bubbles is always a blast.

The children always enjoy music class. This week they were able to play a steel drum if they wanted to. Singing along to all the different songs is always fun.

Parents please label everything that belongs to your child. Please make sure his or her nails are cut short so that way they don't scratch themselves or their friends.

✨Have a great long weekend ✨

Mrs. Cindy
