

09.01.2023

Dear Parents,

We had so much fun this week learning all about Shapes, such as the three basic shapes: Circle, Square, and Triangle.

The children had a chance to play in all center areas like: Art 🎨, Blocks 🚗🚚, Housekeeping 🏠🧼🧹, Library 📚, and Science 🔬🧪 and Discovery 💡

During Circle Time, we sang our “Good Morning” song along with “Rub-A-Dub-Dub (3 Shapes in a Tub)”, “Rollie 🐸 Pollie”, and “The Wheels on the Bus 🚌”!

While outside during playground ☀️ time, we took some time to practice our gross motor skills like sitting on the floor facing each other and holding hands to lean forward and back in a seesaw motion! We also practiced throwing a ball, climbing up and down the stairs, freeze dancing, and going down the slide! 😊

Parents, understand or imagine your child’s point of view, specifically during a challenging moment. Also, allow your child to practice drinking out of regular cups and using spoons to feed themselves! Practicing independence is very important for the development of small children! 😊👍

We will see you all next week! Make sure to bring back your child’s blanket and pillow nice and clean for next week! Have a wonderful and safe weekend! 😊❤️

With much LOVE,

Ms. Ashley and Ms. Nelli ❤️
