Dear Parents of Green and Red Doors,

We would like to thank all the mommies who passed by to get their gifts. It was a pleasure seeing all of you! We hope that all the mommies enjoy their gifts!

This week we've been talking about one of the children's favorite subjects: "Mommy". The children dedicated a great part of their art activity to please their mommy. They were busy making beautiful cards by ripping paper for fine motor skills. The children made handprints. They also finger-painted on a canvas mixing the colors pink and purple. They like to feel the paint on their hands. This week we introduced the notion of "inside and outside". For example, while playing with sorting shapes, the teachers would say "you put the triangle inside the bucket" and "you take it outside". When it was time for the playground, "let's go outside to play" and "let's go inside to have our lunch". We had a great time with our extracurricular activities. We had a lot of fun playing with our sensory bin, and playing with Play-Doh.

- MOSQUITO SEASON IS BACK!! If you would like to bring Bugs Spray
