Dear Parents of Blue Door,

Hi, This week we learned about Wild Animals. During Circle Time, the teacher talked about some wild animals such as the Lion, Tiger, Whale, Shark, Pig, Bear, and Crocodile. When the children were asked what sound the Tiger and Bear made they knew exactly what sound to make. When asked if the shark lived in the ocean they all answered yes! We went over the colors and shapes as well.

For art, they had a great time making wild animal prints. They used the wild animals, they play with here at school and dipped them into paint and then onto construction paper.

Giraffe paper plate was also lots of fun for them. They colored a paper plate yellow and then using dot-a-dot markers added the brown spots, the ears they glued then on their giraffe that was cut out from yellow construction paper. Tiger stripes were fun, they made tiger sounds as they glued their stripes to construction paper. The children worked hard when they work in their journals. Using crayons they colored a lion and a giraffe and used mosaic squares to decorate them. Their elephants came out really cute. Using crayons they colored a paper plate and glued the ears on.

We just don't play on the playground we also practice our Gross Motor Skills. This week we threw balls to one another, kicked the balls to the teachers, the children jumped in place, and ran two laps around the playground.

Parents, please don't forget to wash your child's blanket to be returned to school on Monday., as well as clean clothes. Make sure their nails are cut short.

Quote of the week: " It is not about smart children, it is about Happy who have the confidence and courage to learn and pursue things dear to their heart" By: Alexander Eidens.

Have a great weekend!!

Mrs. Cindy
