Dear Parents of Blue Door,

Hello 🌟 This week we learned about Community Helpers. During Circle Time the teacher spoke about some of the community helpers which are a doctor, police officer, firefighter, dentist, painter, school bus driver, and a teacher. She also spoke about some of the ways they help us. A doctor helps us feel better. A police officer protects people. A firefighter helps put out fires.

A dentist helps keep our teeth healthy. A school bus driver picks up the boys and girls and brings them to school. A teacher helps us to learn.

For art time, the children drew a firetruck using the colored crayon of their choice. Painting with fire trucks, police cars, and school buses was a blast. Rolling and squeezing and making whatever comes to their imagination is always lots of fun. The police car art activity was lots of fun. The children colored a paper plate blue and glued the siren and windows to their car

Parents, please wash your child's blanket and return to school nice and clean. Please make sure anything that belongs to your child has his or her name on it. Please make sure your child's nails are cut short so that way they don't scratch themselves or their friends.

Have a great weekend 🚔
