Dear Parents of Blue Door:

Hi! This week the children learned about Japan.

During Circle Time the teacher spoke about the language that is spoken in Japan which is Japanese. The flag of Japan was shown to the children as well. We also talked about some of the animals that live in Japan such as the Japanese Pond Turtle, the Steller Sea Lion, and the Sika deer. During Circle Time, the children could listen and dance to Japanese Music.

For Art, they enjoyed making the flag of Japan. A circle was given to the children, and they colored the circle using red crayons and glued it to the middle of the construction paper, making the flag of Japan. Making the Japanese fan was a blast. The children painted a construction paper with Do. A. Dot markers and then decorated it adding mosaic squares to it. Play-Doh is always a lot of fun for the children.

On Tuesday, the kids had a great time listening to the story "The Hungry Caterpillar with Mrs. Silvia as they learned about numbers and different kinds of foods. The children could play with the caterpillar puppets and the different props related to the story. They learned how a caterpillar changes into a beautiful butterfly.

Parents please wash your child's blanket and return it to school nice and clean. Please label everything that belongs to your child with his or her name.

Have a great weekend!
Mrs. Luz and Mrs. Miriam ❤
