Dear Parents,

We had a lot of traffic jams in the classroom this week as our topic was transportation! The children learned about different forms of transportation: by car, train, boat, airplanes. For Art, the children enjoyed dipping the wheels of a truck in black paint and then rolling it on construction paper, they also painted with sponges on construction paper, for free art they used markers, do a dot markers, and crayons.

Do you know what is one of the children's favorite activities? Dancing!! We had a lot of fun during music and movements. The children are now starting to imitate the teachers' movements: turning around, stamping feet, stretching their arms up, squatting, and they also love to dance with a friend holding hands.

Music class was super exciting as the children sang and danced. Mrs. Lee read a Pete the Cat story which they love.

Have a wonderful weekend 

Mrs. Yanet, Mrs. Yeysleydy, and Ms. Ashley
