

Your Donation Matters

DOLLARS FOR DAVES is the annual fundraising campaign that keeps important programs at our school.

The H&SC is a parent, volunteer organization working on behalf of your students and our faculty. The H&SC plans to spend \$455 per student this year. This contribution covers programs and services not covered by state school funding, local property taxes, or LGEF.

These programs are not sustainable without strong parental support. **We are asking for a donation of \$400 per student.** Thank you for helping our students and community! Every dollar counts!
