

DOLLARS FOR DAVES

Your donation matters

The support we receive from our amazing Daves Avenue Community allows us to provide essential programs and services for our children.

The H&SC plans to spend **\$400** per student this year. We will be funding programs and services that are not covered by state school funding or local property taxes.

Please help us support these critical programs in our school. A contribution of any size makes a meaningful difference. **Every dollar counts!**
