Very Special Information

Erin's Law requires schools to implement an age-appropriate sexual assault and abuse awareness and prevention curriculum for grades pre-K through 12. Los Gatos Union School District researched best practices and programs for delivering this instruction. We are very pleased to share that Victor Pacini will be returning to our schools in December, 2019 to deliver his program entitled, **Be Seen and Heard[©] 2.0**, a prevention-oriented child sexual abuse program.

Mr. Pacini is an author, a motivational speaker, and a survivor of sexual abuse.

The assembly program last year was very successful and positive. He will be back to help us implement this important mandate again this year. Mr. Pacini's program is developmentally appropriate, interactive, and aligned with learning standards. The focus of his presentation is to teach children basic skills to keep them safe from dangerous or abusive situations.

The concepts that will be discussed are:

Distinguishing safe from unsafe touches

Safety rules at home and school

Saying "NO"

Safe/Unsafe Secrets

It's not the child's fault if someone touches him or her

Telling a trusted adult

Parents will have the option to opt out of the assemblies for their students. To get more information about this presentation, parents are invited to join us for a special information meeting to preview the concepts of the Be Seen and Heard[©] 2.0 program prior to the schools holding the presentations. Victor Pacini, author and creator of this program, will be available for questions.
