

CHAMPIONS OF MATH 2021-22

Join us to learn and celebrate all things math!

CHAMPIONS OF MATH GOALS

- ★ Further develop 4th and 5th grader math skills vetted by [Math Olympiad](#) and other effective resources, such as [youcubed](#), [TED-Ed](#), and [inside mathematics](#).
- ★ Expose students to practical mathematical applications.
- ★ Create an environment for collaborative and creative problem solving.
- ★ Have fun!

DETAILS

- ★ Every Monday October 25 to March 14 2:45 - 4:00 PM in Room 26
- ★ Monthly Math Olympiad contests start November 12
- ★ Registration and supplies fee: \$75

For more details on our program, including a bonus Math Olympiad problem, please visit: <https://davesavehsc.org/mathchamps.html>.
