

Want to get **involved** and **use your skills** to help your child's school?

## LGEF is growing...and we want YOU!

Here's an easy, fun way to get personally involved in helping your child's school. Join our awesome, friendly LGEF team!

In as little as a few hours a month (flexible for working parents) you'll help us support math and literacy specialists, music teachers, health clerks, counselors...and more.

Perhaps you have skills in fundraising, sales, marketing, public speaking, event planning, or business development. Or maybe you just want to get more involved with your school community. Either way LGEF is for you!

- ▶ School Co-Captain
