Principal's Message

Dear Daves Avenue Families,

September has been a busy month for all Cool Cats! The 4th grade Bike Rodeo last week was absolutely outstanding. Thank you to Meaghan Foley Spencer and all volunteers who helped to make this event possible. Educating students and families about safety precautions on and off of campus remains a top priority. Last Thursday night, the Monte Sereno Better Streets Commission and the Los Gatos Safe Routes to School held a meeting in the MPR to discuss existing conditions around our campus and the surrounding neighborhood streets, proposed circulation, and next steps. For more information, please visit <http://www.montesereno.org>.

Dollars to Daves is off to a great start! To promote grade level spirit, we are monitoring overall grade level participation. As of today, team 3rd grade is in the lead with 48% participation. WOW! If you would like to help your child's grade level achieve our goal of 80% participation, it's easy to do and you will find the link below. With your continued support, we will be able to sustain our current model of supplying school supplies, technology, study trips and buses, recess and lunch enrichments, and so much more!

Principal hat aside, I know parenting is hard work! We can all benefit from regular tips on how to help our children succeed in school. With the

support of Student Services and <http://www.attendanceworks.org>, here are some tips:

- Develop a regular bedtime and morning routine.
- Help your child lay out clothes and pack backpacks the night before.
- Turn screens off two hours before bedtime.
- Avoid missing school unless your child is truly sick and seek help if chronic illness is a challenge. Check with our school nurse or office staff if you have questions.
- If your child seems anxious about going to school, talk to teachers, school counselors, or other families for advice on how to help your child feel comfortable and excited about learning.
- Arrange medical appointments when school is not in session.
- Avoid extended vacations when school is in session.

Your child's success depends on their physical presence in class daily, from the morning bell to the afternoon bell. Thank you for making this a priority for your family.

Have a PAWSitively awesome week!

Kind regards,
Jenna Mittleman, jmittelmann@lgusd.org
Principal, Daves Avenue Elementary School

We've had our first meeting, and discussed our new agenda for the year. We plan to continue and improve on existing activities like **TRASH FREE TUESDAYS** with Trash Sorting, and **EARTH WEEK**, and are very excited for some new ones, like **COMPOSTING**, and **PLANTING** and **HARVESTING** our mobile gardens. We call this our "**SEED TO FEED**" Initiative. We will also have green-themed **SCAVENGER HUNTS!**

Green Team meets every Tuesday right after school in the Daves Avenue Garden of Wisdom. Registration is open, so register today at <http://www.davesavehsc.org/green-team>.
