### **CLERK OF STATE COURT OFFERS EXPANDED FILING OPPORTUNITIES TO ATTORNEYS**

**Marietta, Georgia, June 1, 2020**– Cobb County State Court is now offering attorneys the ability to eFile criminal pleadings and other documents remotely and securely 24 hours a day, 365 days a year. Any member of the Georgia State Bar will be able to file into an existing criminal case at no cost and without having to travel to the courthouse.

“During these uncertain times, it is important to offer a safer, more efficient alternative to filing in-person or by mail,” said Angie Davis, Clerk of State Court. “Our goal is to enhance customer service by streamlining the criminal filing process and eliminating the need to file paper documents with the Clerk’s Office.”

The Clerk’s Office is the point of entry for virtually all criminal matters. In 2019, the office processed approximately 45,000 new criminal and traffic filings consisting of more than 425,000 documents.

eFiling of civil cases has been available to attorneys since 2016 through a partnership between the Clerk’s Office and Georgia-based GreenCourt Legal Technologies, which offers eFiling on a statewide scale through a single username and password via its PeachCourt product. Georgia attorneys can register for a free PeachCourt account by visiting [www.peachcourt.com](http://www.peachcourt.com).
