

Dear Shady Lane Parents/ Guardians,

At Shady Lane, we want to open our students' minds to many possibilities of future careers. For the past few years, we invited Shady Lane families to add to our ABC Career Wall by sharing their family careers.

We want to continue this tradition. Our career wall is located on the outside wall of our cafeteria. Students get to see this wall every day before lunch. It has unique illustrations of various jobs for each letter of the alphabet. We would love your participation! Can you send in a picture of yourself at your job? *If you did this last year, your image will be hung on our Career Wall, so no need to resubmit, unless you have a new job or a younger sibling.*

Please use the link or scan the QR code to submit a brief job description and picture.

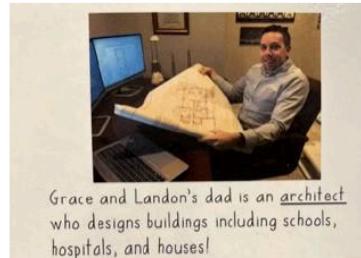

<https://forms.gle/fF8LgyxpnaHu3EBP8>

Below are examples of pictures and job descriptions you could send in. We will take care of formatting and printing the picture. The finished product will look something like this:

Lauren's mom is a flight nurse at Flight for Life Helicopter Emergency Medical Transport System. She helps people as they fly to the hospital.

Grace and Landon's dad is an architect who designs buildings including schools, hospitals, and houses!

Thank you in advance for helping us with this special project! We look forward to sharing all the wonderful careers of our Shady Lane Family.
