## GHOST RIDERS

Em G  
An old cowpoke went riding out one dark and windy day.  
Em G  
Upon a ridge he rested as he went along his way,  
Em  
When all at once a mighty herd of red-eyed cows he saw,  
C Em  
A plowin' through the ragged skies and up a cloudy draw.  
Em G Em C Em

**Chorus:** Yippie aye ay! Yippie aye oh! Ghost riders in the sky!

Their brands were still on fire and their hooves wuz made of steel. Their horns was black and shiny and their hot breath he could feel. A bolt of fear went through him as they thundered through the sky, for he saw the riders coming hard and heard their mournful cry. **(refrain)**

Their faces gaunt, their eyes were blurred, and shirts all soaked with sweat. They're riding hard to catch that herd but they ain't caught them yet, 'cause they've got to ride forever on that range up in the sky. On horses snorting fire as they ride on hear their cry. **(refrain)**

The riders loped on by him, and he heard one call his name, "If you want to save your soul from hell, a ridin' on our range, then cowboy change your ways today or with us you will ride, a tryin' to catch the devil's herd across these endless skies." **(refrain)**

## GRANDMA'S FEATHER BED

**Verse 1:** When I was a little bitty boy just up off the floor,  
 We used to go down to Grandma's house ev'ry month end or so,  
 We'd eat chicken pie and country ham 'n homemade butter on the bread.  
 But the best darn thing about Grandma's house was her great big feather bed.

**Chorus:** It was nine feet tall and six feet wide, soft as a downy chick.  
 It was made from the feathers of forty 'leven geese, took a whole bolt of cloth for the tick.  
 It'll hold eight kids 'n four hound dogs and a piggy we stole from the shed.  
 We didn't get much sleep but we had a lot of fun on Grandma's feather bed.

**Verse 2:** After supper we'd sit around the fire, the old folks'd spit and chew, Pa would talk about the farm and the war, and Granny'd sing a ballad or two. I'd sit and listen and watch the fire till the cobwebs filled my head, next thing I'd know I'd wake up in the mornin' in the middle of the old feather bed. (chorus)

**Verse 3:** Well I love my Ma, I love my Pa, I love Granny and Grandpa too, I been fishin' with my uncle, I rassled with my cousin, and I even kissed Aunt Lou- eeeewww! But if I ever had to make a choice, I guess it ought-a be said that I'd trade them all plus the gal down the road, for Grandma's feather bed. (chorus)

**Verse 4:** On Sunday morn we'd go to church and stay for covered dish. I'd run and play and get so tired, 'n then I'd get my wish. To lie out flat and nap and dream with the feathers 'neath my head, But my cousins wouldn't stop tickling me! On Grandma's feather bed! (chorus)

## HOME by Phillip Phillips

Hold on to me as we go  
 As we roll down this unfamiliar road  
 And although this wave (wave) is stringing us along  
 Just know you're not alone  
 'Cause I'm gonna make this place your home

Settle down, it'll all be clear  
 Don't pay no mind to the demons

They fill you with fear  
 The trouble—it might drag you down  
 If you get lost, you can always be found

Just know you're not alone  
 'Cause I'm gonna make this place your home

## HOME ON THE RANGE

G C  
Oh give me a home where the buffalo roam,  
G D  
Where the deer and the antelope play,  
G C  
Where seldom is heard a discouraging word,  
G D G  
And the skies are not cloudy all day.

### Chorus:

D G  
Home, home on the range,  
Where the deer and the antelope play,  
Where seldom is heard a discouraging word,  
And the skies are not cloudy all day.

Where the air is so pure, and the zephyrs so free,  
The breezes so balmy and light,  
That I would not exchange my home on the range,  
For all of the cities so bright.

### Chorus

How often at night when the heavens are bright,  
With the light from the glittering stars,  
Have I stood there amazed and asked as I gazed,  
If their glory exceeds that of ours.

### Chorus

Oh, I love these wild flowers in this dear land of ours,  
The curlew I love to hear cry,  
And I love the white rocks and the antelope flocks,  
That graze on the mountain slopes high.

### Chorus

Oh give me a land where the bright diamond sand,  
Flows leisurely down in the stream;  
Where the graceful white swan goes gliding along,  
Like a maid in a heavenly dream.

### Chorus

Then I would not exchange my home on the range,  
Where the deer and the antelope play;  
Where seldom is heard a discouraging word,  
And the skies are not cloudy all day.

## LET IT GO

Em C  
**Verse 1:** The snow glows white on the mountain tonight  
D Asus A  
Not a footprint to be seen

Em C  
A kingdom of isolation,  
D Asus A  
And it looks like I'm the queen.

Em C D Asus A  
The wind is howling like this swirling storm inside  
Em D A  
Couldn't keep it in, heaven knows I tried!

Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know!

G D Em C  
**Chorus:** Let it go, let it go, can't hold it back anymore  
G D Em C  
Let it go, let it go, turn away and slam the door!

G D  
I don't care  
Em C  
What they're going to say  
G Gm  
Let the storm rage on,  
C  
The cold never bothered me anyway!

**Verse 2:** It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all!

It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me  
I'm free!

G D Em C  
**Chorus:** Let it go, let it go, I am one with the wind and sky  
G D Em C  
Let it go, let it go, you'll never see me cry!  
G D  
Here I stand  
Em  
And here I'll stay  
G Gm  
Let the storm rage on!

**Verse 3:** My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around  
And one thought crystallizes like an icy blast  
I'm never going back, the past is in the past!

Let it go, let it go, when I'll rise like the break of dawn  
Let it go, let it go, that perfect girl is gone!

Here I stand  
In the light of day  
Let the storm rage on,  
The cold never bothered me anyway!

It rolled off the table,  
And on to the floor,  
And then my poor meatball,  
Rolled out of the door.

It rolled in the garden,  
And under a bush,  
And then my poor meatball,  
Was nothing but mush.

The mush was as tasty  
As tasty could be,  
And then the next summer,  
It grew into a tree.

The tree was all covered,  
All covered with moss,  
And on it grew meatballs,  
And tomato sauce.

## PRINCESS PAT

(Repeat after me song)

The Princess Pat  
Lived in a tree  
She sailed across  
The seven seas  
She sailed across  
The channel too  
And brought with her  
A rigabamboo

Chorus:

A rigabamboo  
Now what is that?  
It's something made  
By the Princess Pat  
It's red and gold  
And purple too  
That's why it's called  
A rigabamboo

Now Captain Jack  
Had a mighty fine crew  
They sailed across  
The channel too  
But his ship sank  
And yours will, too  
If you don't take  
A rigabamboo

Each time you sing through this song, use a new

"thing to come by." In the chorus, add the new sound/action following the completion of all of

the old ones. For example, on verse three, the

chorus would be: Oh lee lah, oh lee lah kee kee lah,

oh le lah cuckoo, cuckoo, woff, woof, grr, grr.
