## How to Fold Your Camp Korey Passport

1. Print this template

2. Fold the paper in half length wise along the black line

3. Fold the paper in half again along the black line

4. Fold the paper again along the black line

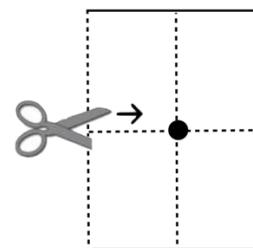

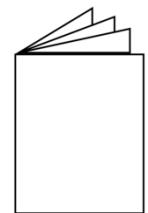

5. Fold one more time along the black line so you have a little sheet of paper

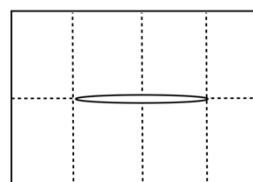

6. Unfold everything

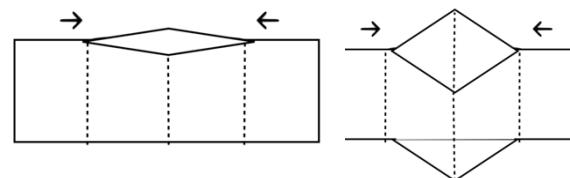

11. Now you have your Camp Korey Passport ready to fill in and decorate!

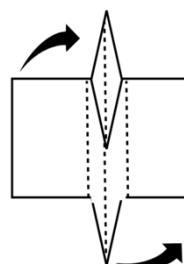

7. Fold the paper width wise along the black line and using scissors, cut along the red dotted line

8. Unfold the sheet of paper and fold length wise along the black line

9. Push the edges towards each other

10. Fold the book so the "My Passport" page is in the front and the map page is in the back
