

BURKE AREA RESTAURANT INFO April 2020

Below is a partial listing of known restaurant offerings in and around Burke. Per the Governor's order, VT restaurants are limited to curbside take-out and delivery only. That means you call or order online and pay over the phone or online. When you arrive, a staff member will bring the food to your car. Some restaurants are closed, but you can still support them by ordering gift cards. This is a really tough time for our restaurants so we hope you will support them. Thank you! Bon Appetit!
