### LETTERS & NUMBERS FOR THE MONTH

We learned Hh, Cc, Yy and Ff.

Each letter we sing a different song and make different movements. The children enjoy moving around and singing the songs. We made a house from paper, a Clydesdale Horse, and some crazy penguins. We will try to make a Yo-Yo and do some tricks.

Next month we will learn Vv, Xx, Qq and Zz. Wait and see the exciting projects that will come home.

### DRAMATIC PLAY AREA

POST OFFICE

### WHAT WE LEARNED IN JANUARY

We had an exciting snowball fight inside school. We made everlasting snowballs. They had a wonderful time. We worked on numbers 1 to 10 by making counting books. They used stickers to count the number on the page. We also wrote another book about what you do on a snowy day. They were very funny.

We also made two types of fake snow. One was with conditioner and cornstarch and the other was with flour and baby oil. It was fun to play with!

We also made rice dance with baking soda and vinegar. They enjoyed all the experiments. The children are enjoying taking the classroom pet home. The pet for Monday-Wednesday-Friday is "Yellow Duck" and the pet for Tuesday-Thursday is "Pinky the Pig."

### WHAT'S AHEAD!

We will be learning about space and all the planets in our universe. Our room will be transformed into a space station.

We will be heading to Grand Oaks to run around and have fun exercising. It will be so much fun.

### REMINDERS

If anyone has left over Valentines from last year that the kids can use in the mailroom, or cards, we can use them in the post office.
