

JANUARY NEWSLETTER 2020

Mrs. G & Mrs. Tracey Tuesday, Thursday Class

It is hard to believe that four months have come and gone, and we are half way through the school year. The children have grown so much and are becoming more independent. We hope everyone had a wonderful holiday season, loved all the special gifts your children worked so hard at making for you and we wish all of you a Happy New Year!

Your preschooler has enjoyed exploring all areas of the classroom. Our dramatic play area had a Dunkin Donut Shop that was very popular. In our sensory table, we had dinosaurs when we talked about the letter D and egg matching for our letter E. Many projects were available for the children to enjoy such as painting at the easel, working in the art center and, of course, the many toys to play with and blocks for building.

This month, we will be talking about animals that like to hide in the winter, reviewing the letters, shapes and colors we have learned already and we will be making snow in our sensory table. Our helper box now will contain the children's last names.

We thank you for working with your children at home on their skills. We have been seeing improvement in cutting skills and proper grasp of writing tools which is wonderful as this is a hard skill to accomplish for young children.
