DRAMATIC PLAY AREA PIZZA HUT

WHAT WE LEARNED IN JANUARY

We learned about colors when mixing them together.

We played I spy with numbers 1, 2, 3, and 4.

We acted out our feelings with play dough on play dough mats.

We had a great concert when we explored our instruments.

WHAT'S AHEAD!

We will make a volcano and learn about x-rays.

The children will work on a classroom quilt and they will get to create any animal they want for our class zoo.

Please remember to have an extra set of clothes in their backpacks. Send snow clothes if weather is wintry and make sure names are on their clothes.
