

BARLINA HOUSE

BULLETIN

Mrs. Donna & Mrs. Lane
4 YR OLDS

WHAT WE LEARNED IN FEBRUARY

We learned Vv, Xx, Qq and Zz.

One of the most favorite projects that we did was making a name quilt with fabric. It is on the wall in our room. You will be able to see it on the art show day.

We created our own solar system. It is amazing. Every child chose their own planet to create, and they also created the galaxy that the planets are in.

We wrote a book about our favorite planet, and we created our own constellation with star stickers and chalk.

They also created moon crates with dough. These will be displayed for the "Art Show." We also learned about the phase of the moon. It was a great month.

WHAT'S AHEAD!

We will learn Rr, Uu and Kk. When we come back from break, we will complete the alphabet.

We will make a Leprechaun trap and write a new book about how to catch the leprechaun.

We will be exploring dinosaurs during March and starting our spring planting.

We will be celebrating Dr Seuss's birthday, the week of March 2-6. We will be celebrate by having different fun each day.

We will review all the numbers from 1 to 20. Practicing printing and simple addition.

DRAMATIC PLAY AREA

VET OFFICE

Check the Dr. Seuss flyer to see what you should wear for the day.
Art Show on March 18 from 6:30-7:30pm.
Have a great spring break March 23-27.
