### LETTERS & NUMBERS FOR THE MONTH

T, G and I.

We started the month making turkeys and made a funny story about cooking Thanksgiving dinner. Thank you for helping your child disguise their own turkey at home so he wouldn't get eaten. We cut out tree shapes and decorated them with gems to make Christmas trees and made our own Grinchies and painted with ice. We also cut out a gingerbread person and decorated it. The kids started making gifts for their family.

We are working hard on learning numbers. We look for the numbers on the calendar, trace numbers and play "I Spy" with the number we're working on that week.

Next month we will be learning letters E, D and J and finishing up the numbers 1 thru 10 by adding some number puzzles, counting worksheets and dice games.

### DRAMATIC PLAY AREA

SANTA'S WORKSHOP

### WHAT WE LEARNED IN NOVEMBER

We talked about different shades of color and how we can take green and make it lighter or darker. We worked together on some floor puzzles and had fun watching what happens to an ice cube in a glass. We discussed how we can keep our teeth healthy by choosing healthy food.

Our classroom helpers are still doing great! Everyone has had one turn and now we are starting over. We are pulling names but this time will give clues and have the kids guess what name was picked. Clues such as a brown hair, blue pants etc. Hoping it's fun for all.

### WHAT'S AHEAD!

Next month we be very busy finishing up our gifts for you at home. We will make an elephant and an elf, design our own dinosaur and read When You Give a Dog a Donut. Finally we will plant some beans and see if they will grow like in Jack in the Beanstalk.

Reminder!

Please check your child's backpack every day for mail. Make sure all their belongings have their name on it - including their coats and shoes.
