

JANUARY NEWSLETTER 2021

Mrs. Tracey & Mrs. Bator Monday, Wednesday, Friday 3 Year Old Class

Another month has flown by and before we know it, 2021 will be here!

We ended 2020 with letters I, D and E. The children did a great job making an igloo and decorating their own iguana. We made dinosaurs out of paper plates and a dog puppet using a paper bag. For the letter Ee, they were given an egg shape and drew something coming out of their egg. They all have quite the imagination. Lol. We also enjoyed painting with ice and mailing our letters to Santa in our post office. Some of you might have received decorated cards from your children with lots of stamps and stickers. They have been busy little elves for sure.

We learned a song about Christmas trees and used different action words in "Run, Run You Can't Catch Me, I'm the Gingerbread Man" We rang jingle bells fast, slow, high and low and had a lot of fun doing the "Reindeer Pokey".

Snack has been going great! The children are doing a good job wearing their masks. We appreciate sending masks that fit well and are not sliding down. Please make sure there is an extra one in their backpack so we can change it when the one they are wearing gets wet.

We will work on letters J, H, C and Y. We will be making a jellyfish and a jaguar mask. We will be talking about what animals hibernate and which hop like a frog. We will work on our cutting skills, purr like a cat and design our own yo-yos.

Our dramatic play area will now be a home to many dinosaurs complete with food bowls and everything needed to make sure they are healthy.

We will bring snow inside and paint it with watercolors. We will have pretend jelly beans that need to be put in jars. We will focus on writing our names and start our number worksheets. As always, our goal is to get outside every time we have class. Please send proper attire for the weather. Snow pants and boots can be sent in a separate bag. Please put names on anything you can so we can avoid things getting misplaced. As always, feel free to call with any concerns or questions.
