### LETTERS & NUMBERS FOR THE MONTH

N, L, P, S and W

The kids made the planet Neptune by cutting out a blue circle and marble painting on it. We made lemon and lime prints and square pumpkins along with reading "Spookley, Mr. Square Pumpkin".

We performed the skeleton dance and had a snowball fight to a freeze dance song. We made handprint spiders and decorated our Halloween house with stickers, ghosts and fabric.

We sang "Herman the Worm" and did our best to make a walrus.

Next month letters will be T, G and I.

### WHAT WE LEARNED IN OCTOBER

We learned that playing with black sand and pigs is messy but fun. We buried treasure in kinetic sand and pretended we were pirates and dug out the treasure.

We found that oil and water do not play well together and if you add an Alka Seltzer it the mixture, it puts on a show.

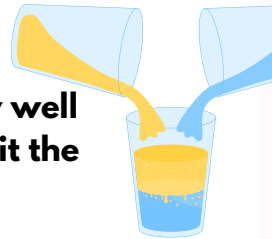

We had fun at the Nature Center and at Tom's Farm. We wrapped up our month with a Halloween party where we enjoyed crafts, games and an obstacle course.

### WHAT'S AHEAD!

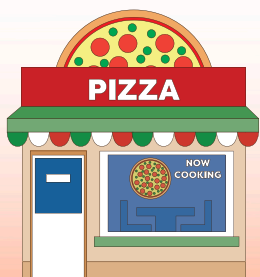

Next month we will be making turkeys and talking about what we are thankful for.

We will read the "Gingerbread Man" story and decorate one.

We will paint with ice and start our family holiday gifts.

### DRAMATIC PLAY AREA
