### LETTERS & NUMBERS FOR THE MONTH

Each week we will be learning a new letter together. We will practice writing the letter, what sounds the letter makes and come up with words that begin with the letter.

Nn=is for necklace. We had fun making noodle necklaces and sensory bottles with our names in them.

Ll=is for leaf. We made homemade lemonade and tissue paper leaves.

Pp=is for pumpkin. We created multiple kinds of pumpkin crafts to hang up in our classroom and we made pizza.

### DRAMATIC PLAY AREA

TOOL SHOP

### WHAT WE LEARNED IN OCTOBER

Our class is doing a fantastic job with the routine of the classroom. Everyone is feeling comfortable and excited to come to school and it shows through their participation in class and great listening.

We are learning our letters and identifying them on paper. This helps when we work on writing and recognizing our names.

We are practicing our pencil grip and using scissors to cut paper.

### WHAT'S AHEAD!

We are getting ready for Thanksgiving and create turkey crafts.

We will create a class terrarium and learn how to care for it.

The students will start to get the classroom ready for the upcoming holidays.

Reminder

Please check your child's backpack every day for mail. Make sure all their belongings have their name on it - including their coats and shoes.
