LETTERS & NUMBERS FOR THE MONTH

H, C, Y and F and numbers were 1-4.

We started out the year making hats and celebrating the New Year. We talked about community workers in our area. We made balloon prints and cute cows out of a Styrofoam cup. We did the "Chicken Dance" which made all of us laugh because it went from slow to super-fast. We read "How to Catch a Yeti" and the kids made their own Yeti using a fork and paint. Our handprint turned into a flamingo and we played with a fairy garden in our sensory table.

Next month letters will be V, X, Q and Z. And we will begin practicing writing our numbers 5-8.

DRAMATIC PLAY AREA

CONSTRUCTION ZONE

WHAT WE LEARNED IN JANUARY

We worked on letters in our name by using letter cookie cutters in blue Play Doh. We watched colors mixed when we added food coloring to milk and put in a dipped Q-Tip in dish soap. We had fun but found out it wasn't easy to catch (pretend) fish in a net. Some of us liked the feel of fingerpaint on our fingers, others used paintbrushes.

The kids seem to be enjoying bringing in their favorite books when it's their turn. Keep a look out in their backpack for info. Everyone will get a turn. We started picking a child for each class to be our line leader. They LOVE being picked and it gives them responsibility.

WHAT'S AHEAD!

Next month we are having our Valentine's Day party. We will be making a "love bug" crown and a volcano. We will play with some white paint and pretend it's an X-ray. We will make a zebra and porcupine and talk about 'quills' and listen to a story while sitting on a quilt.

REMINDERS

Please send in boots, snow pants and mittens if weather requires it. Please practice putting these items on at home. Getting everyone dressed in a timely manner is not easy and we really do want to take them outside as much as possible.
