WHAT WE LEARNED IN JANUARY

January was a very cold month for us. We couldn't get outside very much but we did have a lot of fun dancing, playing hopscotch, and trying a new activity called Truck Stop where we scooted on the floor and acted like we were driving trucks!

We worked on our letters H, C, Y, and F. We also wrote some of our letters in a sand tray (and made pictures in the sand too!) and made cat masks. We enjoyed reading "Caps for Sale", "Chicka Chicka Boom Boom", and "Hungry Hen".

WHAT'S AHEAD!

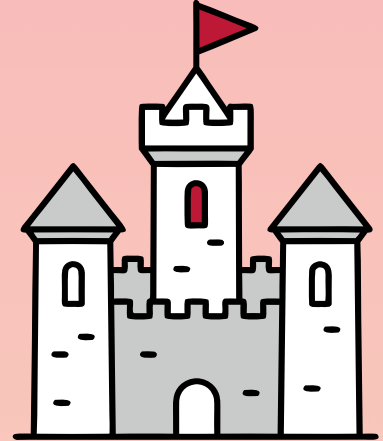

This month we will be learning about the letters V, X, Q, and Z and working on our numbers and counting.

For this month we will be creating more winter projects and are starting art projects for the Art Show in March.

We will also be practicing our fine motor skills and letter and name recognition.

We are also hoping for some good weather so we can get outside more.

DRAMATIC PLAY AREA

CASTLE

HELP NEEDED

Please send in water bottle or 2 liter soda bottle tops for an upcoming class project

We will be playing outside if the temperature is above 20 degrees, please send appropriate clothing.
