### LETTERS & NUMBERS FOR THE MONTH

Tt= is for turtles. We created a terrarium for the classroom for us to enjoy throughout the school year. We also made our own terrariums and handprint turkeys to hang up.

Gg= is for gum. We created a Grinch gingerbread person, and we made a handprint turkey family.

li= is for igloo. We worked on creating some Thanksgiving crafts and we made a turkey costume out of a grocery bag to wear.

### DRAMATIC PLAY AREA

### VETERINARIAN

### WHAT WE LEARNED IN DECEMBER

We focused on sharing and how to use our words in a positive way. The children are starting to branch out more and create new friendships inside our classroom, as well as the other classes too. When we learn how to share and talk with each other, then that opens doors for growth with new friendships.

### WHAT'S AHEAD!

We are jumping into the new year with a lot of excitement. We will be working hard on writing our names without having to trace the letters and using proper pencil grip. We will also be working on scissor cutting with our projects.

### REMINDERS

Please make sure you check your child's backpack every day for mail. Make sure names are written on all belongings including the coats and shoes.

Please send in boots, snow pants and mittens if weather requires it. Please practice putting these items on at home. Getting everyone dressed in a timely manner is not easy and we really do want to take them outside as much as possible.
