Rocket League is a family friendly e-game where you play soccer as cars. Players aim to score the most goals within the time limit. Compete as a team against other park district teams throughout Illinois. The first 4 weeks is regular season with the 5th week consisting of playoffs. All leagues will be broken down based on skill level to provide an even playing field for all players. You may sign up as a single player or a team is made up of 3 players. Singles and Teams that sign up will be representing our community as you try to take home the gold! Play from the comfort of your own home with your own gaming device.

GGLeagues will track your communities individual teams and single standings on a weekly basis. Each week players will be scheduled to play one match. Weekly matches last approximately 45 minutes. The top 4 teams will play a single elimination bracket on the 5th week. Playoffs typically run for 3 hours for the winning team. Please plan accordingly based on that time frame. Please note that participants can play across all gaming formats (Xbox One, Nintendo, Switch, PC and Playstation). Prizes for the winners include: HyperX Gaming Gear and GGLeagues shirts.

*Each person within their group must register through the CLPD and note who the other players in their group are. *Individuals may register as well and play 1 on 1 game.
