LETTERS & NUMBERS FOR THE MONTH

Hh=is for hat. We made hot air balloons and foam hotdogs to hang on the wall.

Cc=is for cat. We baked cupcakes together in the classroom. We also made paper cupcakes, cats and corn.

Yy=is for yawn. We painted yarn and made yaks.

Ff=is for football. We made fish to hang in our classroom window and created our own flags.

WHAT WE LEARNED IN JANUARY

We had a great month after coming back to school from the holidays. The kids were able to jump right back into where they left off and they were so excited to be back. We did some baking this month and we also did a science experiment by making our own version of a hot air balloon. We explored hibernation and what that meant. We also started working on pouring our own drinks at snack time.

WHAT'S AHEAD!

Each child will be working on creating a book that is all about each of them. We are going to work on what mom and dad's real name is, besides mommy and daddy. We will be learning about Groundhogs Day and getting ready for our Valentine's Day party. We are making crafts and Valentine's Day boxes to put our valentines in from each other.

We will also be learning about volcanoes, and everyone will be making one themselves. We have a lot of painting projects and a field trip to Grand Oaks to look forward to as well.

REMINDERS

Please send in boots, snow pants and mittens if weather requires it. Please practice putting these items on at home. Getting everyone dressed in a timely manner is not easy and we really do want to take them outside as much as possible.
