LETTERS & NUMBERS FOR THE MONTH

Each week we will be learning a new letter together. We will practice writing the letter, the sounds the letter makes and come up with words that begin with the letter.

Ss=is for spider. We made skeletons and snails to hang around the classroom.

Ww=is for watch. We made web suncatchers with tissue paper and hung them in our classroom window.

Tt=is for turtle. We created a terrarium for the classroom for us to enjoy throughout the school year. We also made our own terrariums and handprint turkeys to hang up.

DRAMATIC PLAY AREA

ICE FISHING

WHAT WE LEARNED IN NOVEMBER

We love watching the friendships that have been forming these past few months with the kids. The fear of the unknown in coming to school is no more and you can tell that they really enjoy school and the routine.

We have been focusing on how to write our name and spell it as well. Ask them to sing their name to the BINGO song. We also worked on using scissors and holding them the correct way.

WHAT'S AHEAD!

We are going to be getting ready for holidays by working on our family gifts and getting the classroom festive!

We are also going to be working on what our last name is and what their parents' names are.

Reminder

Please check your child's backpack every day for mail. Make sure all their belongings have their name on it - including their coats and shoes.
