### **LETTERS & NUMBERS FOR THE MONTH**

Can you believe that it is December already? We are having a wonderful year and look forward to the rest of the school year.

Tt-we made unique turkey feathers for our classroom turkey.

Gg-we made flying geese and crazy groundhogs.

li-we made very colorful igloos.

**POLAR EXPRESS**

### **WHAT WE LEARNED IN NOVEMBER**

We explored the North Pole and created many distinct types of animals. We watched a short video about geese flying south and the silly noises they make. We also learned about what animals do to get ready for winter. Our room has all our hibernating animals on display.

The car center was a big hit. Everyone worked on changing oil and tires. It was fun.

We have been working hard on our holiday gifts for our parents. We hope you enjoy them.

We wrote our third book, How to Disguise a Turkey. They did an excellent job.

### **WHAT'S AHEAD!**

We are printing the numbers from zero to ten.

We will be looking for the elf every day. They get so excited to find him in the classroom.

We are building a life size igloo in the dramatic play area and adding all the animals that hibernate. We will post pictures of our classroom creation!

**Reminder**

Please check your child's backpack every day for mail. Make sure all their belongings have their name on it - including their coats and shoes.
