LETTERS & NUMBERS FOR THE MONTH

A, M and B

Each week we will be learning a new letter together. We will practice writing the letter, practice what sounds the letter makes and come up with words that begin with the letter.

Aa is for apple. We had fun tasting different kinds of apples and painting with apples.

Mm is for monkey. We baked muffins together, painted a moon with marbles, and made masks with magnets.

Bb is for balloon. We created our own birds to sit on our family tree in our classroom. We also made butterflies and bubble art.

DRAMATIC PLAY AREA

WHAT WE LEARNED IN SEPTEMBER

Our class has done a great job at making new friends with one another as well as learning our daily routine and classroom rules.

We learned about baking and took turns measuring and mixing.

We also learned about static electricity by making butterflies and using tissue paper for the wings, then using a balloon to demonstrate how static electricity works to make the wings move.

WHAT'S AHEAD!

We will learn about the new season of Fall. We will be working with things that we find at the Nature Center and painting rocks to spread around the park on our hike.

We will create a fall harvest and create pumpkins to make our room more festive.

Reminder

Please make sure you check your child's backpack every day for mail. Names need to be written on all belongings including the coats and shoes. As always, if you have any concerns or questions, please email or call Mrs. Donna.
