

BARLINA HOUSE

BULLETIN

Ms. Sherry & Mrs. Holly
3 YR OLDS

WHAT WE LEARNED IN JANUARY

H- We made hot air balloons out of tissue paper and created houses out of different shapes

C- We painted our hands to make a cactus and practiced using scissors when we cut out buildings to make a city

Y- We used multicolored yarn to make yarn letter Ys

F- We made rainbow fish for our class window and frogs out of paper plates

We loved going to the library and learning about how a library works. We had fun listening to stories and playing with the library's toys. We practiced writing our names all on our own by making a snowman with our names on them. We looked at different types of houses and talked about difference of each one and what our own home looked like through shapes. Even though it was a cold month, we enjoyed playing outside a couple of times and when it was too cold, we loved having dance parties and playing with our new parachute.

WHAT'S AHEAD!

V- We will be making valentines

X- We will be making x-rays

Q- We will make our own queen crowns

Z- We will make our own zoo

DRAMATIC PLAY AREA

STARBUCKS

- With the Olympics coming up, we will be talking about the different sports celebrated during the Winter Olympics and tracking how many gold medals Team USA receives.
- We will make valentines for our parents and have a Valentine's Day party.
- We will have a gym day field trip to Grand Oaks, where we will have an obstacle course and play sports.
- We will be learning our last names and the first names of our parents.

We will be playing outside if the temperature is above 20 degrees, please send appropriate clothing.
