3 YR OLDS

LETTERS FOR THE MONTH

We will explore the letters
F, V, X and Q.

WHAT WE LEARNED IN JANUARY

Our class planted a pine tree and enjoyed taking care of the tree. It is one of our classroom jobs.

We made fresh orange juice and cookies, we continued to learn the order of the letters in our name and counting to five with our button counting books.

We did a taste test of somethings salty, sweet, sour and bitter and made “yummy and yucky” food lists.

We enjoyed “moon sand”, construction noodles and snow in our sensory table.

WHAT'S AHEAD!

We will focus on making rainbow fish and our own fossil.

We will also make a paper mache volcano, learn about X-rays and quilts.

DRAMATIC PLAY AREA GROCERY STORE

Our Valentine's Day Party will be Wednesday February 15.
