

BARLINA HOUSE

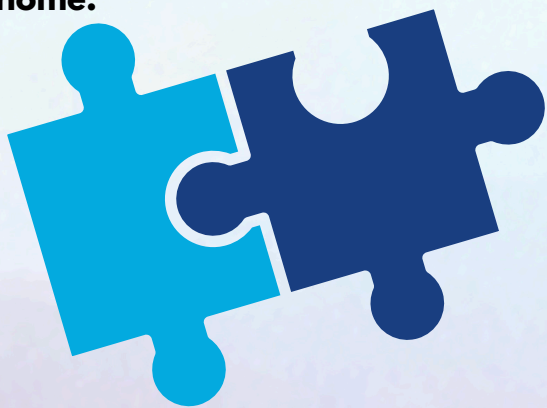

BULLETIN

Mrs. Tracey & Mrs. Holly
4 YR OLDS

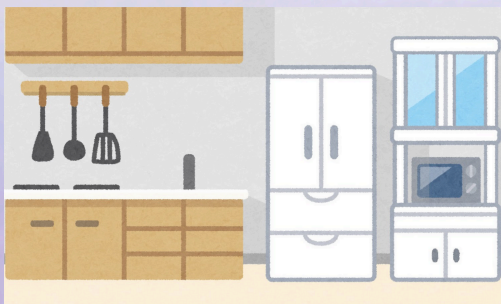

LETTERS & NUMBERS FOR THE MONTH

We are reviewing all letters and numbers with lots of practicing with tracing, puzzles and games. Please continue helping your child at home.

DRAMATIC PLAY AREA

KITCHEN

Dramatic play will be making food and washing dishes.

WHAT WE LEARNED IN APRIL

We started the month working on our Mother's Day projects. The students have been working very hard learning songs they will be singing. We are having fun with our plants watching our grass grow and beans get bigger! We made flower prints using balloons and decorated eggs for Easter.

We are having fun mixing paint colors at the easel, watching our classroom caterpillars get big and form in their chrysalis. We hope to have butterflies soon. We have been playing with pretend bugs in our science area and made a bee out of yellow and black circles.

We celebrated the "Week of the Young Child" and appreciate everyone who sent in their child's book. We have enjoyed reading them in class. We had an egg hunt on our playground and went to the Nature Center the end of the month.

WHAT'S AHEAD!

Next month we will continue our view of shapes, letters, numbers and colors. We sing lots of songs, create fingerplays, projects and games.

In our science area we will have magnets, mirrors, rocks, a scale and bird's nests.

REMINDERS

Please check your child's backpack every day for mail. With the weather getting nicer outside, please make sure your child is wearing appropriate shoes for the playground.
