LETTERS & NUMBERS FOR THE MONTH

A, M and B

The kids made an apple using a paper plate and tissue paper. We practiced cutting by giving our friendly monster a haircut.

We sponge painted a moon and sprinkled a bit of glitter on top.

We painted with balloons and made our own bats.

Next month letters will be N, L, P, S and W.

WHAT WE LEARNED IN SEPTEMBER

We learned that a red apple is a little red house with no window or doors and has a star inside.

We created a fingerprint masterpiece and made new colors by mixing the paint.

We mashed bananas and made muffins and taste tested red and green apples and picked our favorite.

We did a lot of dancing to “Freeze Dance”, “Shake Your Sillies Out” and “The Floor is Lava”.

We read “Mouse Paint” and “If You Take An Alligator To School”.

WHAT'S AHEAD!

We are looking forward to our field trips to Tom’s Market and the Nature Center.

We will wrap up October with our pumpkin carving night and the Halloween party. We will paint with neon colors and marble paint the planet Neptune. We also will paint a Nemo shape and use our handprint to make a lobster.

Reminder

Please make sure you check your child’s backpack every day for mail. Names need to be written on all belongings including the coats and shoes. As always, if you have any concerns or questions, please email or call Mrs. Donna.
