

BARLINA HOUSE

BULLETIN

Mrs. Donna & Mrs. Rachel
4 YR OLDS

LETTERS FOR THE MONTH

We learned Jj, Hh, Cc, Yy and Ff

Each letter we sing a different song and do different movements. The children enjoy moving around and singing the songs. The best project that they liked was "Pete the Cat crazy jacket" and using colored popsicle sticks to make a pattern on a hat. They did an amazing job.

We will learn Vv, Xx, Qq and Zz. Wait and see the exciting projects that will come home.

DRAMATIC PLAY AREA

We will have a post office set up in the room. They will become post masters of Barlina.

REMINDER

WHAT WE LEARNED IN JANUARY

We had an exciting snowball fight inside school. We made everlasting snowballs. They had a great time.

We worked on the numbers 1 to 10 by making counting books. They used stickers to count the number on the page.

We also had fun making cookies for a snack. They are great bakers.

WHAT'S AHEAD!

We will learn how important being active is spending the day at Grand Oaks in the gym. We will also start our unit about space. The children will pick a planet that like and create the planet on paper. This unit will be a two-week study.

The classroom pet will start coming home. The Monday-Wednesday-Friday pet is a duck and Tuesday-Thursday is a pet pig. The pet will come with its own supplies, all we ask is that the children play with the pet and have fun.

If anyone has left over valentines from last year that the kids can use in the mailroom, or cards, we can use them in the post office.
