LETTERS & NUMBERS FOR THE MONTH

We have been working on a review of all letters and numbers. The kids have been practicing tracing the letters in their name and cutting with scissors.

This month we will review letters, numbers, colors, shapes and writing our names.

DRAMATIC PLAY AREA

KITCHEN

Dramatic play will be making food and washing dishes.

WHAT WE LEARNED IN APRIL

We have been working on our Mother's Day surprises. The students are very excited to wrap everything and give it to you. We have been learning songs to sing to you on the special day. They made butterflies using dot markers, painted egg cartons to make ants and designed balloon print flowers.

We celebrated "Week of the Young Child". Thank you for sending in the books your child made. We really enjoyed reading them in class. We also decorated eggs and had an egg hunt on our playground. We visited the Nature Center as part of exploring nature. We are very anxious watching our caterpillars that are now in chrysalis form, hoping to have butterflies emerge soon.

WHAT'S AHEAD!

We are starting floor puzzles and getting familiar with what our last names look like.

In our science area we will have magnets, mirrors, rocks, a scale and bird's nests.

REMINDERS

Please check your child's backpack every day for mail. With the weather getting nicer outside, please make sure your child is wearing appropriate shoes for the playground.
