90th Year Anniversary
Perseverance, Progress, Pride, and Preservation

916 West Benning Road
Galesville, MD 20765

The Galesville Community Center resides in the historic Rosenwald School of Galesville. It was built as an elementary school for African American children in 1929 as a one-room school and expanded to a two-room school in 1931 as part of the Julius Rosenwald Program. Today it is one of eleven school buildings remaining in Anne Arundel County.
