

You asked - We Listened . . Active Shooter 2.0 - Bonus Mtg

Wednesday, May 10
11:30 am - 1:00 pm

Ball, Bounce & Sport/Hedstrom Training Facility

Proper Response & Solutions to Aggressive Behavior or Active Shooters Can Save Lives

Tim Dimoff, with SACS Consulting and Investigative Services, Inc will present this 2.0 series. This Tim's Talk explains how proper response to aggressive behavior/active shooters can increase your odds of survival. You can hide under a table and die, or learn how to increase your odds of survival.

- Learn Current and Future Trends of Aggressive Behavior & Active Shooter
- Learn how physical security measures can be a deterrent/preventative measure
- Identify the best escape routes and safe areas in your facility
- Learn how to fight back when there is no other alternative
- Embrace NEW technology to upgrade your physical facility prevention and response

**Additional Bonus Presentations from Six Special Solutions Providers.
You will be able to view their products before and after the lunch presentation.**

Cost \$15 pp. Includes Lunch. Registration will be open to Regional Safety Councils and Chamber Members. Seating is limited to 50 people. This will qualify toward your Safety Council Meeting Requirements.
