

You're Invited!

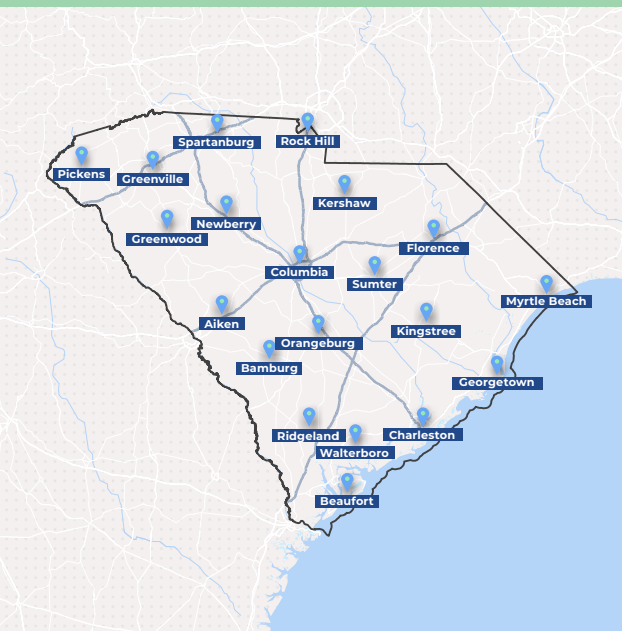

Members of the public are encouraged to attend one of our upcoming public open houses to learn more about the SC+EV initiative, its benefits, and the forthcoming deployment of EV charging equipment along South Carolina's major interstates.

Attendees are encouraged to drop in anytime to the open house meetings; no formal presentations will be given.

Join SCDOT at one of our upcoming Public Open Houses.

The South Carolina Department of Transportation (SCDOT) will host 20 public open house meetings across the state to provide an update on the state's efforts to support the electric vehicle (EV) industry and ecosystem as it kicks off the SC+EV initiative.
