Professional Learning Workshop

Open to All Faculty & Staff

Join Us To

Learn about the students that the DRSC serves.

Become familiar with the student process to apply for accommodations in academic and non-academic campus settings.

Find out how you can challenge an accommodation request that would require a fundamental alteration to a course.

Accessibility at CSU Pueblo

Facilitator: Marcus Hernandez

Date: 11/17/23

Time: 9:00am - 10:00am

Zoom Meeting ID: 479 967 9889

Description

Navigating accessibility issues and accommodation requests from students can be confusing! This session is led by Marcus Hernandez, an adjunct faculty member and the Access Coordinator in the CSU Pueblo Disability Resource & Support Center (DRSC). He will share the application and approval process for academic and non-academic campus settings and the work his office performs to ensure accommodations do not require a fundamental change to courses.
