# Pueblo Region Academic Health Partnership 2024 Symposium & Networking Event

10:00am to 3:00pm on February 23, 2024

**CSU Pueblo Campus, Occhiato Student Center Ballroom**

The **Pueblo Region Academic Health Partnership. PRAHP** strives to improve public health outcomes in the Pueblo region through collaborative efforts in research, community outreach, education, and the development and implementation of public health initiatives, while providing CSU Pueblo students with hands-on learning experiences and opportunities for professional development.

## **Who should attend the PRAHP 2024 Symposium & Networking Event?**

- Are you interested in learning more about how the PRAHP is working together currently?
- Do you have an expertise and desire to engage in public health research, outreach, or education?
- Do you have a public health related research question, and/or data in need of analysis?
- Would you benefit from the efforts of an intern? Or are you in need of a public health internship?
- Do you have a general interest in Academic Health Partnerships?

If you answered yes to any of the questions above, please join us for the second annual **Pueblo Regional Academic Health Partnership Symposium & Networking Event!**

*THREE SESSIONS WILL BE OFFERED*

- 1) Spend the morning learning about ongoing and future PRAHP projects!
- 2) Enjoy lunch and learn about Academic Health Partnerships from our panel of experts!
- 3) Spend the afternoon learning about ways to get involved in specific PRAHP efforts!

*Participate in one or all of the sessions ... STUDENTS ARE WELCOME!*
