

BLACKBOARD ULTRA COURSE WORKSHOPS

Interested in learning more about or piloting a Fall 2024 course in Blackboard's updated [Ultra course view](#)?

Educational Technology is offering four summer workshops from Blackboard designed to familiarize instructors with Blackboard Ultra.

Each virtual workshop is restricted to 20 participants, but recordings will be provided to any interested instructors.

Please [submit a registration form](#) by scanning the QR code or clicking the link to receive the meeting invitations and/or workshop recordings.
