Extended Day Program (EDP) For Pre-K

DESCRIPTION: Extended Day will be offered for Pre-K from 3:00 - 6:00 pm for parents unable to pick up their student by 3:00 dismissal. Two EDP staff will be supervising play and activities. Activities will be run outdoors as much as possible, and on the Pre-K porch during inclement weather. Students and staff will be required to wear masks, encouraged to practice frequent hand hygiene, and social distance as much as possible. Staff will supervise an afternoon snack at 4:15 pm, that should be packed in the student's backpack in the morning with a label stating "EDP Snack" or "Afternoon Snack". Parents will not be signing their child out of EDP. When students are picked up from EDP, the teachers present will notate the time and person that picked up the student, making pickup as contactless as possible.

Because EDP for Pre-K will be a small cohort, the program will be by pre-registration only, and we ask to be informed if your child will miss any registered sessions for sickness, grandparent visits, etc. Please inform our staff as soon as possible at ExtendedDay@lansdownefriendsschool.org.
